**MEMORANDUM OF UNDERSTANDING
FOR THE ESTABLISHMENT OF REGIONAL
COOPERATION NETWORK AND STRENGTHEN THE
PROMOTION OF INTERMODAL TRANSPORT**

The partners on the EFINTIS (Enhancing eEfficiency of the INTermodal transport flows by Improved ICT Systems) INTERREG IPA CBC ITALY–ALBANIA–MONTENEGRO PROGRAMME (hereinafter referred to as: the Parties) have agreed on the following Memorandum of Understanding (MoU) as an important step towards ensuring the preconditions for ecologically acceptable solutions for multimodal freight transport and establishing a regional cooperation network between the partners who are important for the transport sector in the area of Albania, Molise, Montenegro and Puglia.

Art. 1 Purpose

The purpose of this MoU is to enhance the cooperation between the partners, as well as to create a transnational cooperation network for the purpose of exchanging information, knowledge and experience in order to strengthen the promotion of intermodal transport in the Adriatic - Ionian region.

Art. 2 The Scope of Cooperation

- 2.1 The Parties have agreed that there is a need to work on improving and strengthen the promotion of intermodal transport in the Adriatic Ionian Region.
- 2.2 The Parties have agreed that there is a need to stimulate discussion among its members in order to strengthen the single potential of each one.
- 2.3 The Parties have agreed that it is necessary to improve ICT solutions in order to accelerate the transport flows of goods in ports, their hinterland, nodes and corridors.
- 2.4 The Parties have agreed that there is a need to cooperate in developing projects and support the joined participation of members to the European Union's calls, with special regards to the INTERREG Programming Period 2021/2027.
- 2.5 The Parties have agreed to occasionally and as appropriate, organize or attend meetings and conferences, when possible, depending on the time schedule, human and financial resources, as well as promote such events where achievements would be presented and best practices would be shared in the area of multimodal and sustainable transport solutions.

Art 3 Funding

This Memorandum of Understanding shall not be the subject of funding. The Parties shall not have any financial obligations.

Art 4 Legal issues

This Memorandum of Understanding shall not affect any legal changes or legal requirements. All activities specified in this MoU shall be carried out according to the applicable national regulations on a voluntary basis. This MoU is non-binding and does not create any legal rights, obligations or consequences.

This MoU may be renegotiated, amended or modified at any time by mutual agreement of the parties.

Art. 5 Duration

- 5.1 This MoU shall become effective from the date of its signing by all Parties.
- 5.2 This MoU may be terminated by either party by giving the other parties thirty (30) days' prior written notice of termination.
- 5.3 In the case that the authorized persons of the Parties fail to reach mutual agreement, this Memorandum of Understanding shall cease to be valid on 31 March 2026.
